General Cleanings.
Miles, Strevel & Ulmer have opened up a wholesale hardware house in the south rooms of the new Boyle block.

There are telegrams at the Western Union Telegraph office for Mrs. M. J. McGee, W. A. Massey, Wells & Edwards and William Brazil.

Prof. Klaus and family will give a concert and dance at the hall in Five Points this evening. They are excellent musicians, and the entertainment will no doubt be largely attended.

A large crowd went out to the Hot Springs on the "scenic route" or motor bus Sunday last. The road is completed to Pleasant View, and it is expected to be finished to the great resort within a week.

The following are registered at the Hot Springs hotel: E. W. Matson and wife, W. C. Carpenter and wife, Lewis H. Eddy and wife, D. W. Ellis, Mac Campbell, of Ogden; G. H. Waterman, Salt Lake; E. C. Howe, New Haven, Conn.; A. V. Barr, Boston; D. J. Coleman, Huron, Ohio; B. R. Stenson, Union Pacific railway.

The Reed hotel which is now five stories high, is to be raised to the sixth. It was first intended to enclose the building at the fifth story, but the former plans having been changed it will go on up, and when completed will be the largest building in the city. The hotel facilities of Ogden have been very inefficient in the past, but when this one is opened the traveling public cannot complain with their accommodations.

Court House Clippings.
The Winstons were released on \$500 bonds each, signed by George J. Marsh, W. S. Harris, Peter F. Kollo and Charles A. Garner.

In probate yesterday the petition of Mrs. James P. Harbort and Mrs. L. Langford, asking for the appointment as administrators of the estate of James P. Harbort, deceased, were read and taken under consideration.

County Clerk Hollingsworth issued a license to wed yesterday to John Simmons and Miss Alice Taylor, both of Ogden. Sheriff Belnap is expected to arrive this morning from San Francisco, with John B. Frick, the absconding sidewalk contractor.

Deputy United States Marshal George L. Corey arrested Susanna Naber at Providence for perjury. She was taken before Commissioner Goodwin and bound over to await the action of the grand jury.

Thomas Sterling, arrested at Logan for unlawful cohabitation, and his plural wife, Marietta C., at Hyde Park, on the same charge, were bound over in the sum of \$1,000 and \$200, respectively, to await the action of the grand jury.

An Alarm of Fire.
Yesterday afternoon about 2:30 o'clock the alarm of fire was sounded, and the department called to the corner of Twenty-seventh street and Lincoln avenue to extinguish a small blaze in a yard there. It seems that nearly every little fire there has happened of late the boys have been called out. People should be more careful in giving the alarm or what they are giving it for.

Dread Typhoid.
Mr. F. W. Turner, an intimate friend of William Binford, the real estate dealer of this city, died at the latter's residence of typhoid fever Sunday morning.

The deceased has been indisposed for about six weeks and was on the fair road to recovery, when last Friday he felt able to take a drive about the city. In doing so he contracted a slight cold which caused a relapse that proved beyond medical assistance. The body was taken to the morgue by Undertaker Proshaw, and will be interred in the Mountain View cemetery this forenoon by the Queen City Lodge No. 1, Knights of Pythias. The deceased has relatives living in Illinois.

Eastern Bicyclist.
There arrived in Ogden last Sunday morning a young man by the name of A. W. Barr, who has traveled all the way from Boston, Mass., to this city on a Brown safety bicycle. Mr. Barr left the base

of Bunker Hill monument, at noon, August 17, for a pleasure trip to the Pacific coast. From Boston Mr. Barr went to Niagara Falls, where the National association held in four days' session. From Niagara he passed through Chicago to Omaha and then followed the Union Pacific railway to Ogden, thus making the trip from Boston to this place in two months and one day, or an average of sixty miles a day.

Mr. E. C. Howe, a cyclist from New Haven, Conn., was also here on Sunday and is on the same errand as Mr. Barr, and has made the trip from his home in two months and five days.

Police Court.
The appearance of Judge Proshaw's court was somewhat livelier yesterday than usual. The following cases were disposed of:

W. Kuhn, arrested for assault with deadly weapons, was taxed \$5 and costs. Failing to deposit that amount he was given an apartment in Tuckett's hotel.

Harold Miller, arrested for fast driving, was fined \$5 and costs. Paid.

E. B. Hubert and By Morrison, plain drunks, were each fined the usual sum.

Tom Martin and N. Scher were tried for disturbing the peace and paid the proper authorities \$5 and costs.

HUMAN FRAILTY.
We are frail creatures physically—the most robust among us. The unhealthy man or woman is in great measure incapable of benefit to society. If, for instance, biliousness, a trouble of frequency and often obstinately resistant, of ordinary medication, obstructs the harmonious action of the liver and the bowels, the sufferer is sure to be dyspeptic. The three disordered conditions are sure to be combined by neglect. Under the erroneous impression that there is no hope for him, an impression in all likelihood confirmed by the use of objectionable remedies, the sufferer is apt to become neglectful, may even reckless, and that the sooner he is removed from the sphere of human endeavor the better for all parties concerned. What a series of mistakes! His liver is responsible. It is an incorporate part of himself. How discipline it! By the aid of Hostetter's stomach bitters, a certain medium for the re-establishment of united, regular action in the stomach, liver and bowels. It also cures and prevents malarial, rheumatic and kidney troubles.

New York Stock Exchange.
NEW YORK, Oct. 20.—The entire output of the bank reserves again, as shown by the statement of Saturday, once more brings the monetary question before Wall street and the unbusinesslike calculations of the probability of easy money or the reverse. The bears worked hard to-day and the temper of the market was weak and declining throughout. Final changes in most of the list, while almost invariably in the direction of lower figures, are for small fractions and the only important losses were Louisville & Nashville, 1/2; Union Pacific, 1/2; Sugar, 1/2; Burlington & Quincy, 1/2; and Rock Island, 1/2.

Chicago Wheat.
CHICAGO, Oct. 20.—Wheat opened a little tame, but prices under steady buying advanced 1/2 @ 3/4, cash off 3/4, fluctuated some and closed 1/2 higher than Saturday. It is stated that the decline in the Liverpool market Saturday was due to manipulation, but there is nothing to affirm this. The market is steadily contradicted, some quoting firmer tones, others easier. Available quotations are explained by a public dispatch, which quoted spot wheat steady. The features in some positions are slightly better, others slightly weaker, closing cables reported firm. Receipts, 368,000; shipments, 274,000.

Liverpool Grain.
LIVERPOOL, Oct. 20.—Wheat—Fair demand; No. 2, winter, 7s. 4d., strong; ditto spring, 7s. 7d., strong. Corn—Demand fair for spot and good for futures; spot, and October, 4s. 6 1/2d., firm; November, 4s. 6 1/2d., firm; December, 4s. 7 1/2d., firm.

London Grain.
LONDON, Oct. 20.—The Mark Lane Express says: There is small inquiry for English wheat, and prices have declined 1/4d.; foreign wheats are tending toward firmer prices. Fine whites, 6d. better. Barley—Weak, under large arrivals, and prices 1/4d. lower. Oats and corn were steady at to-day's market. English wheats are firmer, and there was recovery 1/4d. for best. Foreign wheats are also stronger at 1/4d. advance for California and India.

Flour—Very firm, especially good American.

The bragg method of advertisement, cost nothing, and amount to nothing. Day after day printers ink produces assertions, which we clip and read, much to our amusement.
